Valid from: 27th June 2024

The institutions agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the [Erasmus Charter for Higher Education](#) in all aspects related to the organisation and management of the mobility, including [automatic recognition](#) of the credits awarded to students by the partner institution as agreed in the Learning Agreement and confirmed in the Transcript of Records, or according to the learning outcomes of the modules completed abroad, as described in the Course Catalogue, in line with the [European Credit Transfer and Accumulation System](#). The institutions agree on exchanging their mobility related data in line with the technical standards of the [European Student Card Initiative](#).

**Grading systems of the institutions**

Receiving higher education institutions need to provide a link to the statistical distribution of grades or make the information available through [EGRACONS](#) according to the descriptions in the [ECTS users' guide](#). The information will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.

**Student Mobility for Studies**

The partners commit to amend the table below in case of changes in the mobility data by no later than the end of January in the preceding academic year.

Country		Academic year(s)	Subject area name and ISCED clarification Other terms (if applicable)	Study cycle	Student Mobility for Studies		
FROM	TO				Students	Total months	Blended
CZ	AT	2022/23 - 28/29	0220 - Humanities (except languages), not further defined Slots may be renegotiated annually. A WIEN78: Host departments at CEU: Department of History. Teaching at CEU is conducted exclusively in English and classes are discussion-based. Erasmus students are fully integrated with CEU's degree-seeking students who have demonstrated in their applications proficiency of English. For this reason, we expect from Erasmus applicants a command of the English language comparable to that of our degree students (generally on Level B2-C1 in the Common European Framework of Reference for Languages). Admission for Erasmus studies at CEU is not automatic. Applicants are asked to submit an online application. Submitted applications are evaluated on the basis of the quality of the application, the applicant's academic strength as well as his/her knowledge of English. It is possible to nominate for Spring Term only, but please keep in mind that this time is reserved for thesis writing and individual consultations. Very few courses are offered, so students might not be able to earn the required amount of credits.
