Erasmus+ Programme

Bilateral Inter-Institutional Agreement
2024-2029

Key Action 1
Learning Mobility for Higher Education Students and Staff
among EU Member States and third countries associated to the Programme

SZ: MU-ISOIS/316938/2025/2944401/CZS
ID: 7529
Valid from: 30th September 2025

The institutions agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects related to the organisation and management of the mobility, including automatic recognition of the credits awarded to students by the partner institution as agreed in the Learning Agreement and confirmed in the Transcript of Records, or according to the learning outcomes of the modules completed abroad, as described in the Course Catalogue, in line with the European Credit Transfer and Accumulation System. The institutions agree on exchanging their mobility related data in line with the technical standards of the European Student Card Initiative.

Grading systems of the institutions
Receiving higher education institutions need to provide a link to the statistical distribution of grades or make the information available through EGRACONS according to the descriptions in the ECTS users' guide. The information will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.

CZ	EE	---	---		---
EE	CZ	special needs	The range of services provided within the universal design are stated in the Rector's directive on accessibility to persons with special needs, where clear commitment to the UDL is stated together with detailed description of specific areas related to HEI. When UDL is not enough for a person with special needs, reasonable accommodations are applicable. These are defined in the second Rector's directive on study and examination rules for persons with special needs.		https://www.teiresias.muni.cz https://www.teiresias.muni.cz/en/studium/adaptace-vyuky-a-zkousek https://www.teiresias.muni.cz/cz/studium/incoming-students-with-special-needs/faq

			Some of these measures include: - orientation training in an unknown environment, - interpreting, speech-to-text reporting, content notes, - individual deadlines for the submission of seminar works and continuous assignments, - increased time limit at the exams, - exams in a quieter environment, - personal and/or pedagogical assistance, if needed, - printed materials in visually modified format (enlarged, modified contrast or colours), - tactile documents on physical media (braille text, tables, tactile graphics and maps, 3D printing), - individual teaching of visually oriented subjects (mathematics, sciences, geography, anatomy, history of art etc.) and subjects based on inaccessible technological principles (pointing devices in IT etc.); for more information on teaching mathematics see the PLATINUM project publication Inquiry in University Mathematics Teaching and Learning, For more see the information at our website
